St. Lawrence High School / 2022

- 92.60 %

PROJECTS

Personal Portfolio Website

Designed and developed a fully responsive personal portfolio to showcase skills and projects using HTML, CSS, and JavaScript.

MyBlog Website

Designed and developed a responsive landing page for a blogging platform. Ensured cross-browser compatibility and mobile responsiveness using Flexbox and CSS Grid.

To-Do List

Created an interactive task management tool with add/delete features and persistent local storage.

Weather App (API Integrated)

Developed a real-time weather forecast application using OpenWeather API, enabling location-based search and live updates.

Spotify UI Clone

Developed a responsive Spotify web interface clone with functional playlists and clean layout styling.

Netflix UI Clone

Designed and implemented a Netflix-like web layout featuring responsive design and interactive hover effects for movies/shows
